

How to Take an Star Test

Step 1: Go to the Library Catalog
and click on AR/Star Programs

Step 4: Select **Student** and hit **Enter**

Students
Enter user name and password

User Name

Password

Did you forget your u

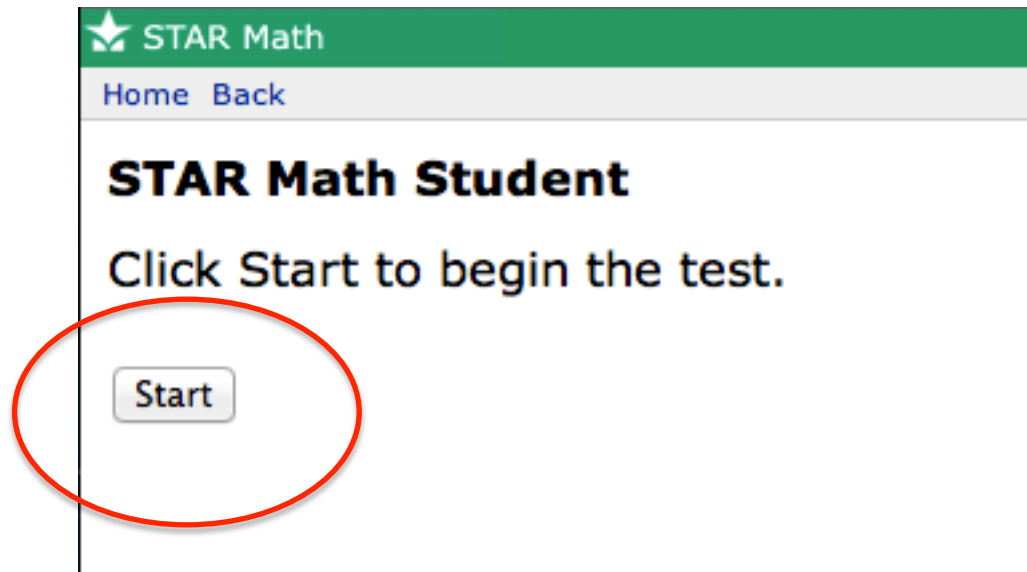

Type in your **Username** and **Password**. It is the same one that you use to login to a school computer. If it doesn't work, please let Mrs. Lemon or your teacher know and it will be fixed.

Step 5: Select **Take a Test**

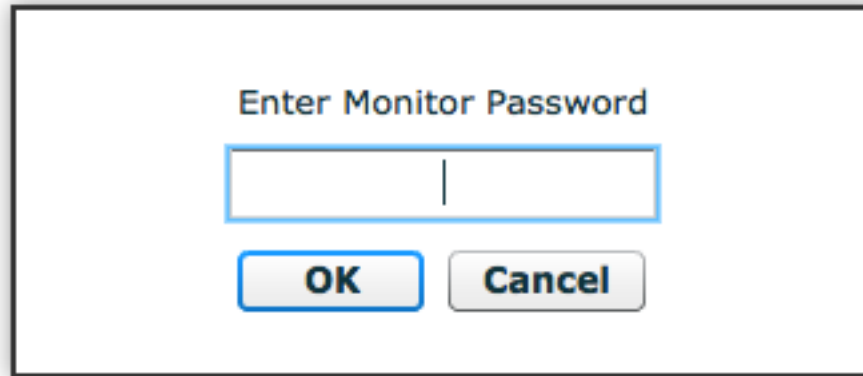

The image shows a screenshot of a software interface with three menu items. Each item has a header bar with an icon and a dropdown arrow, and a sub-menu below it. A red arrow points from the title 'Step 5: Select Take a Test' to the 'Take a Test' option under the 'STAR Math' menu item.

- Accelerated Reader** (blue header)
 - Start Working
- STAR Math** (green header)
 - Take a Test
- STAR Reading** (blue header)
 - Take a Test

Step 6: Make sure you are in the right program and click on Start to begin the test.

Step 8: Ask your teacher to type in the monitor password and you can begin.

Enter Monitor Password

OK Cancel

Good luck!
